

**World Ag Expo®**

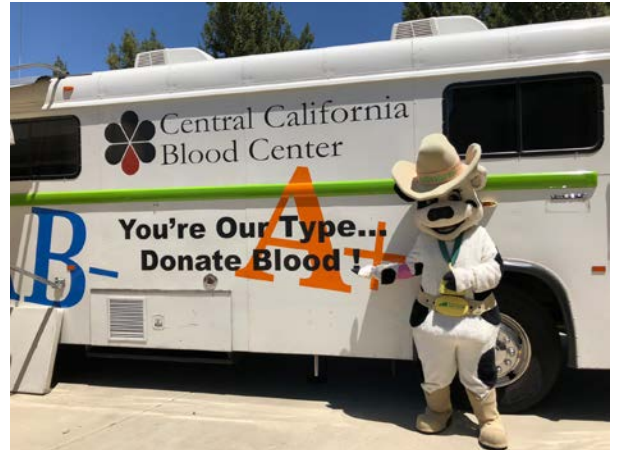

2019 World Ag Expo®- One of the new and exciting changes for next year's World Ag Expo® is our badge redesign! Volunteers and exhibitors will be receiving brand new badges this year. We will be distributing your new badges at the World Ag Expo® Volunteer Meetings in January, 2019. More details to come!

**Event Recaps**Replacement Blood Drive for Richard Rodgers: June 23-

Thank you to everyone who attended the Replacement Blood Drive for Richard Rodgers! We had 95 people registered to donate, and of those people, 74 people could donate. Of those donors, 31 people were first-time blood donors. Richard Rodgers and his family made peanut brittle for all the donors and were extremely appreciative of the community support.

**IAC Updates**New Employees:

The International Agri-Center® has welcomed two new employees this last month. We are happy to welcome our new Sponsorship Sales Manager, Jim Holguin, who started on June 18. We are also happy to welcome our new Facilities Rentals Manager, Morganne Clark who started on July 2.

Fire Close to IAC Property

A brush fire started around 9:00 p.m. on Wednesday, July 4. The fire was located adjacent to one of our WAE parking lots, and no IAC property damage was done. IAC is thankful to the Tulare City Fire Department for their quick response and containment of the fire. The origin of the fire is unknown, but appears accidental. The fire had no impact on IAC operations.

New Cement Parking on South Side

The International Agri-Center® is excited to announce we will be using Hilvers Construction to add cement to our parking lot on the south side of the Heritage Complex. This parking lot will be over 61,000 square feet. This project will not only improve the attendee experience of World Ag Expo®, but will also be used throughout the year for various events. The project is in the planning stages now, and will be completed before World Ag Expo® 2019

**Celebrations, Prayers & Condolences**

Passing of George Simon: May 25 - We send our condolences to the family of George Simon who passed away on June 17, 2018. George was a volunteer at World Ag Expo® and the California Antique Farm Equipment Show® for over 10 years. In lieu of flowers, the family prefers donations to be made to Alzheimer's Association or to the Tulare City Historical Society. A memorial service was held on June 30, 2018. Our thoughts and prayers are with the Simon family during this time of grief.

## Happy Birthday to these July-born volunteers!
