June is Dairy Month!

Happy June Dairy Month! This month we are highlighting the importance of dairy in the agriculture industry. Check out some fun facts about the dairy industry.

- A cow produces an average of 6.3 gallons of milk daily and 350,000 glasses of milk in a lifetime.
- U.S. dairy farms produce roughly 21 billion gallons of milk annually.
- Fresh milk will stay fresher longer if you add a pinch of salt to each quart.

World Ag Expo® Presents Valley Children's Health Center with \$79,200 check through Toyota Tundra Giveaway!

The International Agri-Center®, World Ag Expo®, and the Central Valley Toyota Dealers presented a \$79,200 check to the Guilds of Valley Children's Healthcare on May 25 in Madera, California.

There was a small picnic where Guilds celebrated their fundraising success and presented checks to Valley Children's. The World Ag Expo® Toyota Tundra Giveaway check represented the total funds raised by the Guilds who sold chances to win a new 2022 Tundra. The proceeds from the giveaway directly benefit Valley Children's.

"This is one of the most rewarding programs we do," said Jerry Sinift, Chief Executive Officer, International Agri-Center®. "The Guilds do an amazing job driving this fundraiser. The Central Valley community and World Ag Expo attendees are always great supporters. And of course, we couldn't do it without the support of our Central Valley Toyota dealers."

Thank you to all who participated and entered the raffle. Our 2023 World Ag Expo® Toyota Tundra Giveaway will start selling tickets sales in the Fall!
